LOCAL FOLK TAKE FAIR PRIZES

By Dick Henderson

"Heigh Ho, we've been to the Fair."

Yep, Pearl and yours truly climbed into the '47 Packard that we recently purchased and have finally gotten the starter fixed so she'll move, and Thursday morning about 8:45 we left La Mesa, whizzed down Alvarado Freeway to Mrs. Murphy,s canyon, went up the canyon past Camp Elliott, made a wrong turn for a half a mile but the sentry at Miramar put us right so we back-tracked and took the next turn to the left and buzzed some more to the "short-way" road, which leaves the Highway about three miles to the west. Saw a coyote running thru the brush. That cut-off was new to me, but is a beautiful drive after one hits Sorrento Canyon, but I was afraid I had missed a turn before we came to the road to the Fair Grounds. We stopped at one house but the folks had gone to the Fair too, so we kept on and hit it all right.

The trees in Sorrento Canyon are beautiful and lots of 'em, so Pearl had something to rave about painting. The road is winding, but all easy grades.

Pearl thinks that the County should buy a piece of land with trees for a park. I agree, for the hills on both sides of the road are being improved with nice homes, and when the new Atom Laboratory is built there will be a lot more folks living in the neighborhood, and they'll need some place to picnic.

No running water was in evidence, but wells were being drilled by a couple of rigs. The valley, sheltered by a high hill on the west, seems to be good soil. Looks like a good place to raise flowers.

Around Sorrento Post Office an orchard of apricot trees loaded with fruit was close by the road. Made my mouth water.

Sorrento station sign is about a mile north of the post office. So, if you will pardon the digression, we'll get back to the Fair.

We went thru the gate without trouble, as the Parking sticker was on the windshield, and we arrived at 9:45 mileage 33 from La Mesa.

We parked near the grandstand, and Pearl went to see the display of paintings and I went to the sheep barn to find Mr. and Mrs. Cosby, but nobody knew where the Lemon Grove 4-H'rs were, but the sale was scheduled to start at 10 o'clock, and Press Table was inside the ring and I found Bill Arbello, in charge of publicity who welcomed me warmly, gave me a folder with all the entries of swine, lambs and beef listed by number, tag number, name of owner and their address, which was a great help.

Swine First

The wrist watches showed almost 11 before the swine, the first to be auctioned, were brought in one by one, urged gently by their owners, who used a cane with a crook on one end and tapped the pig on the neck to steer him around the ring.

First pig brought in was a barrow — that is a gentleman pig with this paternal necessities removed — entered by El Cajon FFA (Future Farmers of America) Donald Magoffin, of Dulzura. He was a Hampshire, black with a white band around his belly. He weighed 192 lbs., was bid up to $54 a 100 less 2½% for shrinkage, bought by Sea Coast Savings & Loan Association, of Del Mar, and netted Donald $101.61.

The second pig brought in was a purple ribbon winner, also a barrow and a Ham., weighed 238 lbs., bought for $37.50 per 100, netted $87.46 for John Tobiasson, of Escondido, bidded in by Ken Miles, of Escondido.

A purple Ribbon indicates that the winner is a little better than a first, or blue ribbon, and is considered tops by the judges. All the animals sold at the auction had been judged a couple of days before, and were very proud of themselves.

Three more pigs were brought into the ring, and the auctioneer, Bob Stanley, said to be the best in the business of auctioning livestock ,worked the bids up to $33; $30; $28; $41; and $31. It took me a while to get onto his sales talk.

Bob started off clear enough, but talked fast and changed the bid when one of the three assistants in the ring worked up the bids, sometimes $2.50 a bid, but mostly a dollar raise.

Since no pigs were entered from Lemon Grove, I got tired and started away from the press table, intending to come back when they started on the Lambs, but got only thru the back gate before meeting a string of lambs being assisted into the ring, so I came back and waited 'til Larry Durlin, 3636 Cordoba, Spring Valley, FFA in El Cajon Club showed his entry. Larry's lamb weighed 84 lbs., brought $36 less 2½% shrinkage, but you"ll have to figure out his net receipts. His lamb was bought by Mr. and Mrs. Cross, for the Crippled Children's Home.

Bob Driver, candidate for the Assembly, bought 5 lambs, and when his name was announced each time some guy hollered "Give him a vote."

Prices bid for Purple Light Weight lambs ranged from $36 to $50 per 100 lbs.

Mike Cosby, 8277 Golden, L.G. showed his animal well, weight 81 lbs. brought $40. Name of purchaser, Orval Hagstrom of Santee.

These owners brought their entries into the ring with one arm around the lamb's neck and the other hand on his rump, and it didn't do the animal any good to resist. Some of the boys had a little brother to shove the animal from behind.

Kiwanis Aids

Dennis Tristram, 6811 San Miguel, L.G., with 128 lbs of young mutton entered, got $33 from Lemon Grove Kiwanis. Dennis wasn't feeling well, so Donna Rundell, daughter of Bob Rundell, Water Works director, acted in his stead. Dennis told a friend that a pretty girl got better prices from the bidders. He was right.

James Toft, 4140 Calavo Drive, La Mesa, a member of Spring Valley 4-H, with a choice heavyweight purple ribbon winner, weighing 115 lbs. got $32.

Lana Jacquith, 7377 Mt. Vernon, L.G. 4-H, with a choice heavy weight lamb, weighing 105 lbs. got $32, bid by Lemon Grove Kiwanis.

Michael Jaquith, Lana's brother, with a lamb weighing 104 lbs. also a member of L.G. 4-H

GROVE'S NEWEST DOCTOR IS SUBJECT OF NATIONAL MAGAZINE ARTICLE

Attention was directed toward Lemon Grove last week, by way of a newly arrived doctor of medicine and a national magazine, when TIME, the weekly newsmagazine, devoted a large part of its Medicine section to UCLA medical school graduate Dr. Thomas Richard Early.

Dr. Early last week joined Lemon Grove doctors Brumbaugh and Herbert and brought with him the magazine's spotlight of attention.

TIME reported how Dr. Early, 30, who completed a fruitful year of internship at S.D. Naval Hospital after graduating from th first class of U.C.L.A.'s newly developed School of Medicine had expressed cogent opinions on the modern philosophy of "specialization."

Dr. Early who has delivered several hundred babies, performed hundreds of operations under the supervision of senior doctors feels that good medicine depends upon knowing the patient . . . and the best way to know them is to treat them for everything that ails them — up to the limits of his knowledge. Early, as in the TIME article, said that there is no reason why a doctor should send a youngster to a pediatrician for removing a sliver or lancing a boil just because he is under 12. "A general practitioner should do minor surgery and most obstetrics. If anything in the case requires the services of a specialist, he'll call one anyhow," he said.

The article then states that "General Practitioner Early starts practice in Lemon Grove (pop. 20,000) nine miles from San Diego, in partnership with an older doctor."

The "older doctor" are a pair. Dr. Simon Brumbaugh is 32; Dr. Wesley Herbert is fiftyish. They have probably chosen Dr. Early to associate with them for the same talents highlighted by TIME. One of the items being their reference to him as "down-to-earth."

Early is a rangy man, 185 pounds in heft and 6 feet, 2 inches tall with a broad friendly smile and keen interest in those who surround him. His major outside interest, aside from his family is youth work. He already applied to a local service club (Kiwanis) for the purpose of keeping this interest alive.

His family consists of his wife Evelyn, and a six year old son Tommy II. Another in the string that will eventually become "a basketball team" is expected in September. The Earlys are presently house - hunting in Lemon Grove. Says Dr. Early: "I like a smaller community such as Lemon Grove where I can have a opportunity of taking part in local activities. I grew up in a small town (Las Cruces)." Dr. Early's small town preferences bears out his opinion regarding general practitioners. He will get to know many local people . . . and they will know and like him . . . and specialists will not be seeing many of Dr. Early's patients.

FREE PICTURE IN COLOR IF YOU HAVE A BEARD

Beard growing seems to have become San Diego County's most thriving industry and in Lemon Grove, where everything grows bigger and better, this Fiesta encouraged pastime has become anethema to the razor industry and local barbers.

To make a permanent record of the result, Bob Vaught's Lemon Grove Camera shop at 7848 Broadway will present every man who has enough beard to be photographed with a color picture. Vaught said that the bearded gentry have only to come into the shop where he will have the picture taken without charge. In the matter of a few days a print will be received.

Thus, a permanent record will be made of the male's hirsute adornment to show to present and future generations.

THINGS DOIN' & BREWIN'
About Civic Center

By DICK HENDERSON

Three hearings were set by Board of Supervisors for 11:00 a.m. Tueday and three for 11:15, the first three went thru on schedule but the latter three ran over 'til 12:30, as will appear later.

1. Continued hearings on Resolutions of Intention to vacate and abandon: Portions of Washington and Lincoln Aves. in the vicinity of El Cajon, requested by Mrs. Arthur Jackson and John Holanshelt. Board ruled to make the street 80 feet at that point, in line with other corners.

2. Purchase of real property from Ervin S., Cleveland and Grace, his wife, for $2,500 for the clear zone approach to Gillespie Field. So ordered.

3. Resolution adopted to amend documents and for construction of curbs, drainage structures and driveways in Medford Dr., et al in Fletcher Hills. Recommended by Superintendent of Streets.

1. On 11:15 hearings, Resolution of Intention to name portions of R S 1420 and State Highway XI and to rename portions of Imperial Ave., and County Boulevard — to Thunderbird Lane, Broadway and Federal Boulevard, requested by Charles Serr et al., and recommended by Department of Public Works. Thunderbird is the street in Brookside next east of present Imperial, thus eliminating confusion of having two Broadway and Imperial corners. An accident occured recently at this point and an ambulance was called, confused the address with Broadway and Imperial at the Railroad corner and was 45 minutes in arriving at the scene. Might have been serious. Thirteen homes on this street.

2. Petition of Barbara Fowler et al for a change of school district boundaries, taking from Lakeside and annexing to Santee. No school buildings involved. Change of boundaries approved.

3. Continued Hearing on Appeal signed by Kenneth A. Barwick, on behalf of Mr. and Mrs. Roy E. Nielson, from the Planning Commission's approval of a special use permit for the construction for Helix Irrigation District of a water storage reservoir.

Permit was opposed by Barwick, acting as attorney for Nielson. Seven civil engineers — five saw the property and proposed location of the tank — were asked to appear before the Board on Nielson's behalf, only one was found "available," and he could-

Juniors Given Beef Awards

Judging in the beef division of the junior livestock show at County Fair gave purple ribbons (top prizes) to Future Farmers of America, middle weight to Michael Steffen, 4058 Rogers Road, Spring Valley, son of Mr. and Mrs. Virgil Steffen.

Mike is 15, gave extra care to his steer "Alfy" and was so thrilled at getting the purple ribbon that he forgot to use his showmanship training when it came time to show his entry. Mike had a lot of grief in getting his entry to the Fair Grounds. The trailer broke down and "Alfy" had to be hauled the rest of the way in a truck, with Mike standing beside him to quiet the steer every time the truck swayed and the truck body scraped the tires. "Alfy" was estimated to weigh 1000 lbs. when he left Spring Valley, but the scales showed 990 lbs on arrival. The animal is expected to get back some weight after resting. He will be sold at auction and should bring top price. The neighbors are licking their chops in anticipation of rich, tender beef from Alfy's carcass. "You should be able to eat it with a spoon," one neighbor remarked.

L. G. Ladies Win Ribbons

Estellone Bellwood, 2875 Washington, Lemon Grove was awarded two ribbons in Home Economics Food exhibits at the County Fair, according to the official list received Friday from the Publicity Department of the Fair.

Mrs. Bellwood entered confections, Peanut brittle for which she was awarded a White ribbon, and fruit cake, which brought her another White ribbon. She also got a White ribbon for a child's knitted skirt. We will lay a little bet that Mrs. Bellwood is a good cook, but this is not a bid for a sample of her artistry, 'cause we are on a diet, with NO SUGAR allowed. We put Sucaryl on anything that needs sweetening, including hot cakes and strawberries. Thank you just the same, Mrs. Bellwood.

Mrs. Marie Herder, 7502 Central, was another prize winner in Home Economics — Foods. She was awarded Blue ribbons for coffee cake, cherry pie, Red ribbon for white bread, White ribbons for rhubarb pie, lovelight chiffon pie, Parker House rolls and clover leaf rolls. Seven ribbons in all. We would like to be a next door neighbor to Mr. and Mrs. Herder. Our diet is not restricted if saccharine is used instead of sugar, but few pie makers use it for sweetening. It doesn't mix right.

Mrs. Herder, besides the seven ribbons mentioned above, won first place, Blue ribbon, for doilies and second place, Red ribbon, for mat set, tablecloth and buffet set.

The Younger Set got into the limelight in Home Ec. when Marilyn Humphry, 12, daughter of Mr. and Mrs P. T. Humphry, 7665 Central, next door neighbor to Nancy Sima, entered an apron and a head scarf, and got a Blue ribbon for each.

Nancy Sima, 12, daughter of Mr. and Mrs. Joseph Sima, 7655 Central, won a Red ribbon for her oatmeal cookies and another red ribbon for cocoanut cookies, besides three White ribbons for skirt, half apron and sleeveless apron, respectively. This was Nancy's first venture in entering her handiwork . We think she is quite a gal, and we congratulate her on her success.

Another young entrant who was suitably recognized was Stephen Bellwood, 10 years young, son of Mr. and Mrs. Bellwood, who entered Lapel buttons in the Hobby show and was awarded a Blue ribbon. Stephen inherited his hobby from his grandfather, and specializes in Campaign buttons.

Note:—Y'all Lemon Grove Ladies will have to get busy early next year if you aspire to excell the record of Mrs. June Ashby, Encinitas, who was awarded 46 Blue Ribbons, 23 Red ribbons and 12 White ribbons, being first second and third prizes respectively, for her entries of Cold Pack fruits and Vegetables, a total of 81 ribbons.

We wonder how many quarts of food she put up. She is another lady we would like to neighbor with.

Ton of Beef To Be Used For St. John's Fiesta-Barbecue

The Lemon Grove Chamber of Commerce will sponsor an exciting western rodeo during the two day celebration at the Rodeo-Fiesta grounds. Rodeo performances will begin at 1:30 p.m. each day. Carol Wilson, recently named Miss Lemon Grove will reign as "queen of the rodeo." The Dimmer VIEW

By MAX GOODWIN

The "press" frequently manages to make an interesting story even though the story does not always get into the press. Like the evening recently when Senator Kraft knocked out a newspaper employee by proxy.

I saw coverage of it in the Oceanside newspaper and the El Cajon Valley News, but if anyone else printed the story, it escaped me. These stores are omitted, I suppose, because it is painful for the press to print stories that are not complimentary to the Fourth Estate.

This imbroglio occurred the night before the Del Mar Fair opened when the Fair people threw their annual Press Preview Party to which approximately 200 persons of various sexes, sizes and ages showed up. It is a wonderful affair for those who demand unrestricted quantities of free drinks and free food.

During the festivities Burt E. Hobbs, circulation manager of the Oceanside Blade Tribune approached State Senator Fred H. Kraft with his hand extended. As they shook, Hobbs repeated a jesting remark that was unflattering to politicians and Senator Kraft looped a hook into the side of Hobbs' face. Hobbs, a big gregarious fellow, a good 75 pounds heavier than the senator dry, pushed the statesman away. Into this breach stepped Lewis Lipton, a San Diego restaurant and delicatessen operator who had been appointed to the Fair Board by Governor Knight a few months previously. With all the muscle he had gained slicing pastrami, he powdered a blast against Hobbs' nose, breaking it and knocking him out. Lipton had not been sampling the product of the four bartenders at the free bar so I assume he was sincere in wanting to prevent a recurrence of the Lincoln Affair to Kraft. Senator Kraft was hustled away in one direction, Hobbs another and officials seemed reluctant to discuss the matter. That's about all there is to it except a few editorial comments that should be made in criticism of the press.

Taxpayer's Money

This sort of party has been given annually. It is paid for by taxpayers' money and Lipton told me later that the party is solely to "cement relations between the Fair and the press" although Lipton's cement was running a little thin at this one. To this party are invited aunts and uncles of fair people and politicians, politicians themselves and some people who cannot be categorized by me. Of the 200 guests, I estimate 40 of them to have been bona fide news people.

I object to these parties on three points. First; it should not be necessary to "party the press" to get fair news coverage;

Second; By even stretching the imagination it is not possible to accept as "the press" radio and television personnel who haven't the remotest connection with aired news or the coverage of the Fair either, and Third; the name itself. The "press" label should come off these affairs. I heartily recommend that it be called "Thirsty Friends of the Fair Who are also Hungry." The name is long but it would be much more appropriate than Press Preview, that is, unless they mean to parade members of the press in front of the relatives and such for the purpose of giving the bunch a preview of the press people before all concerned before they become so overindulged they can't see.

The cost of one of these binges would pay for a year of college to some poor but deserving student. Money not wasted on these "friendship" binges would revert to the state to cut back the tax load by just that much.

It is apparent that all radio and tv folk do not need a press party to meet their drinking needs. For example "Uncle Russ' (Russell Plummer) a tv personality who talks to a bird called "Johnny Jet", shows last generations cartoons and offers kindly, clucking converstation to our enthralled children, was hauled into court on a drinking-driving charge for the fourth time the other day. Only reason for bringing in Uncle Russ is that his caper occured about the same time as the Fair party. Uncle Russ acquired his load elsewhere and probably at his own expense. The court found him guilty and

SEVENTH ANNUAL SHAKESPEARE FESTIVAL OPENS AT GLOBE THEATRE

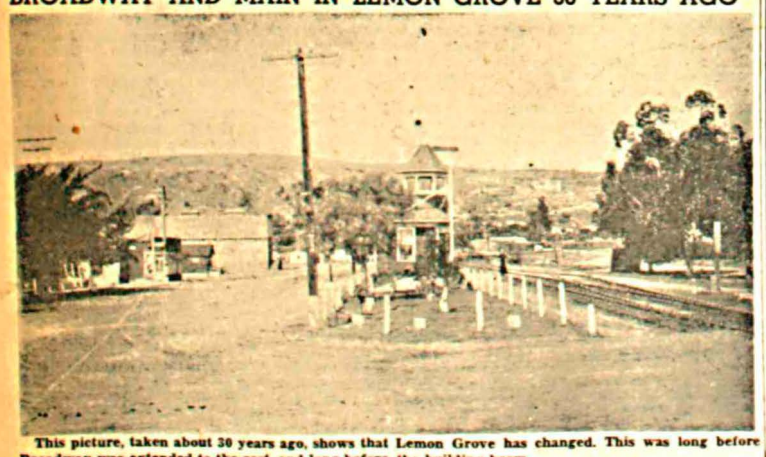
San Diego's nationally-known Shakespeare Festival will open its seventh summer season July 20 at the Old Globe Theatre in Balboa Park. The Festival will continue nightly through September 2 presenting in rotation "A Midsummer Night's Dream" and "King Richard II" by William Shakespeare, and Ben Johnson's "Volpone."

Curtain time for the Festival plays is 8:30 p.m. and each night they will be preceded beginning at 8 p.m., by a colorful Olde English Country Fair at which Good Queen Bess and her royal court are entertained by authentic English folk-dancing and madrigal singing. The pre-curtain pageant takes place on the green in front of the Globe Theatre which is the finest replica in use today of the famous London playhouse of Shakespeare's own day.

The acting company which will present the Festival plays is made up of the most talented young actors and actresses from colleges and universities throughout the nation, as well as young professional actors from the American Theatre Wing in New York who have come to San Diego this summer for the opportunity of working in Shakespearean productions.

Directing the Festival plays are Peter Bucknell of London, England, an artist in residence at Carnegie Institute of Technology, Philip Hanson, instructor of drama and speech at Washington State College, and Craig Noel, resident director of the San Diego Community Theatre which presents the Shakespeare Festival.

BROADWAY AND MAIN IN LEMON GROVE 30 YEARS AGO



This picture, taken about 30 years ago, shows that Lemon Grove has changed. This was long before Broadway was extended to the east, and long before the building boom.

Sonka Bros.' store, established in 1907, was the leading, and for several years the only, store in the Grove. Serving the area between here and Campo, Sonka Bros. had customers who came in twice a year for supplies.

The post office was in a corner of their store, and was the gathering place for residents.

Tony Sonka came here in 1907. His brother, J. Emil, was associated with him until his death in 1947.

The San Diego and Arizona Eastern Ry. ran two passenger trains a day between Foster and San Diego, with a freight car attached, and when business warranted, a freight extra was run. A flood about 1895 washed out the line between Foster and Lakeside, and Lakeside became the eastern terminus.

Anyone seeing the traffic at Broadway and Main now would have difficulty realizing that the picture above was genuine.

And now we are figuring on widening Broadway to 150 feet, with ample free double parking on both sides of the street!—D. H.

LETTERS TO THE EDITOR

Dear Editor:

We thank you for your contribution toward the Camp Fire summer camp transportation. Your cooperation in this youth activity is greatly appreciated. All members of District 8 including Lemon Grove, La Mesa and Spring Valley are indeed fortunate to have organizations such as yours to stand back of their programs.

Sincerely
District 8 Camp Fire Committee
By Mrs. Frank Armstrong, Secretary

Dear Editor:

Let me take this opportunity to thank you for your wonderful support of my candidacy during the recent primary election. I attribute to the support of your newspaper much of the responsibility for our victory in the Republican primary in the Lemon Grove aret.

I look forward to cooperating with you in the general election campaign and to securing your valuable advice and counsel.

The coverage given me in the Lemon Grove Review and the Spring Valley Bulletin was most helpful and very fair. In spite of the fact that you were interested in my candidacy, I think that the objectivity with which you covered the campaign indicated a fairmindedness worthy of commendation.

Again thank you for the pleasure of dealing with your newspapers and with the kindest regards and best wishes, I am

Very sincerely yours,
William K. Shearer

Dear Editor:

You and that chain store manager missed the point I intended completely.

I said, are they going to charge us a ten cent fee on the hundred dollar bill, that green stuff the manager spoke of, as it also is a draft somewhat in the sense, as a check? Now he would have to have the same set up to handle those and would have to go to the bank as often for change and deposits even if he never got any checks. As far as a check is concerned, they are stamped for deposit only and if robbed from the store nobody can cash them so they help the store rather than hinder it. Also he has to take his twenty dollar bills to get them broken down so is that service taxable too?

As to those bad checks nobody ever got one off me, I should then help pay for the ones he takes in. I also pay my part of the bum groceries he has to dump out that is not my fault either.

I would like to tell him when I make a mistake or pay for the checks I write I don't ask anyone else to pay me for it.

I have accepted checks in change a lot of times does the manager know when he endorses the check he guarantees the check to whoever he gives it to, so I would not lose money that way and he could still be a loser in the bad check game.

Mr. Milbrodt knows, as I know, he can't operate on a 6 and 12% as he so states. His rent and labor amounts to more than that, if he rents or if he owns his building. Upkeep and taxes will take the same or more.

Hoping you guys don't miss the point again.

Yours truly,
Chester Rhodes
3476 Citrus

P.S. How about the counterfeit greenbacks? Isn't that about the same as a bad check?

The grocers should maybe give bum groceries for bum checks. I can't agree with reader Rhodes on the checks marked "for deposit only." Let us suppose the store has $1,000 worth of such checks stolen. He has given out a certain amount of groceries and a certain amount of cash. He can't recover these. It is true the thief cannot cash the checks, so he destroys them. Now you figure this one out and tell me who is the loser.

Dear Editor:

The San Diego County Council, Boy Scouts of America has made considerable progress in recent months. Approximately 20,000 boys and 6,500 volunteer adults are currently enrolled, and we are still growing.

One of the reasons for our continued growth and the high esteem in which this organization is held by the general public is the interest and generous support given by your publication.

I want to take this means to express to you my sincere appreciation and thanks for all that you have done in making our character building, citizenship training program effective.

Sincerely,
Russell J. Kliegel
President

Dear Editor:

I should like to take this opportunity to thank you and the members of your editorial and advertising staffs for the excellent cooperation given to the San Diego Branch, American Cancer Society, during the last few months.

All the volunteers and executives of the local branch appreciate the eforts you devoted to telling the story of Cancer research, education and patient care to your readers. This was especially beneficial during the Cancer Crusade in April when we were raising funds to carry on these three important phases of our endeavor.

It is our hope that during the next few months we can supply you, from time to time, with factual and interesting information that will be of continuing value to your readers. By keeping them informed, all of us are performing a service which, it is hoped, will some day remove the blight of Cancer from all our lives.

Our thanks again for your continuing cooperation,

Sincerely,
H. H. Roloff, Chairman
Public Information Committee, S.D. Branch
American Cancer Society

slapped him with a $1,000 fine, about one quarter of it remitted. The daily press played that one up pretty big. The news even trickled down to the youngsters. The other evening when he encouraged my boy to drink that sweet, sticky substance to be mixed with milk and later spilled on the rug in front of the tv receiver, the kid asked if Uncle Russ got into trouble for drinking "that stuff."

Between the senators and the courts, in spite of the free deals, the mediums of expression did not fare so well earlier this month.

Grove Woman Wins Cadillac

The winner, the donor, and prize.

Mrs. Jack Robinson, wife of a Lemon Grove plasterer, 2493 Mc Knight Street is driving a 1956 Cadillac today because "her luck changed."

She won the Cadillac at a prize drawing conducted by a group of local markets. She won it at Broadway Market one of the group.

Shown making the presentation is Mel Hammerstein, market owner.

"We've had so much bad luck that I didn't believe it when my number compared with the one they had listed as the winner," she said. "I ran over to a neighbor's house and showed her the ticket and she compared it for me. Then I believed it!"

Mrs. Robinson said she drove down to her husband's place of employment and whispered the information to him because "I thought the rest of the men he works with would kid him. He didn't believe me either."

"We've had so much bad luck that we feel the Good Lord has taken a hand," she said. "My husband and I have both had major surgery recently and we had several financial setbacks. We're going to sell the car and pay off some of our bills." The couple now owns a 1954 Buick.

Mrs. Robinson said that she had called her sister Mrs John Graves, in Lubbock, Texas to tell her the good news. "Naturally, she wanted us to drive over right away. We're not going to though."

The event was sponsored by the Klauber Wangenheim Co., wholesale food distributors, for a group of 28 county independent retailers.

Entrants were not required to guess anything, work puzzles, or make a purchase. Tickets were given to everyone who entered the stores. Last week when the drawing was held Mrs. Robinson's number was drawn. She had obtained her ticket from the Broadway Market so the honor of making the presentation went to Hammerstein. Other local markets participating include Mac's Monterey Market and Tresser's Market. Klauber Wangenheim distributes Point Loma and Pay Day canned foods.

Bird Smuggler Given Another Rap

John W. Hadzima, 40, convicted parrot smuggler, was given another rap last week on an indictment returned by county grand jury, on charges of possession of 3½ oz. of heroin.

Hadzima, a federal prisoner in county jail, was not arraigned on the complaint. Bail of $2500 was set by Judge L. N. Turrentine.

Sheriff's Sgt. William F. Robbins said the heroin was found in Hadzima's station wagon May 4th, when he and two deputies searched the vehicle at Hadzima's home, 2059 Sweetwater Rd. Spring Valley.

Deputy District Attorney William T. Low said Hadzima's trial on the dope possession charge cannot be held while he is a federal prisoner. He is under a 5 year sentence, and will have something to look forfard to .

Hadzima's attorney recently filed suit against the county officials to recover his station wagon which was seized.

Interesting and instructive were the Ax Yard, Compass Course, Knot Yard and the Nature Course. Everyone was given a half hour swimming instruction each day and allotted one half hour playtime in the water.

In Archery, two new camp records were set in the Junior American Round with thirty arrows. Henry Hall, Jr. made a new high in the singles and he and Robert Curley beat the old record in the doubles.

NEWCOMER FLIES HERE FROM ORWIGSBURG

Orwigsburg is a town in Pennsylvania, about 16 miles from Pottsville.

Mr. and Mrs. Ed Kepner, Jr., 7415 Mt. Vernon, received a telegram from there a few days ago telling them that Mister K's father, 73 was leaving the old home town, where he has been living for 60 years, by plane and would arrive July 4 to make his home with them. The two Kepner children and their parents are thrilled at the news, and anticipate much joy when Grandpa comes.

Mr. Kepner, Senior has left his affairs in his lawyer's hands to sell his house and ship articles selected by Grandpa to Sunny Southern California.

The Lemon Grove Kepners went back to Pa. in 1950, when Ed. Junior's mother died and tried to get the old gentleman to come home with them at that time, but no soap. He has been getting pretty lonesome of late, but the telegram of a few days ago was the first intimation that he had changed his mind about California.

YOUNG TEENAGER GOES EAST WITH GRANDFATHER

Frances Rose Rogers 14, daughter of Mr. and Mrs. Clyde W. Rogers, 2669 Calavo Drive, Spring Valley, left two weeks ago with her grandfather for Detroit, Michigan where she will visit for a month or so. She likes Detroit, wants to stay there.

Frances Rose' mother, Delores Rogers, Clerk of Homeland Justice Court, was somewhat worried because of dearth of news from her daughter, two weeks having elapsed between letters. On Tuesday the tension was relieved when a card was received from the young lady, saying all was well.

Aunts, uncles and cousins are happily entertaining Frances Rose — that's right, she's a two-name gal — and she thinks she will stay for keeps.

Allan Rogers, Frances Rose's big brother, is attending Summer School at Helix High, studying U. S. History. He will be a Junior in the Fall.

AREA MAN NAMED STATE DIRECTOR OF BOND DIVISION OF TREASURY DEPARTMENT

An area man, Stewart Moulin, who lives in El Cajon, has been appointed State Director of the U. S. Savings Bonds Division of the Treasury Department.

He said that his first objective is to revitalize the savings bond program in Southern California.

"We are now getting 18c of every investment dollar in Southern California and we hope to increase it to 20c before the end of next year," he said.

n't act because he had been retained by Water Works Board on other matters.

Roy Nielson spoke at length, told of his engineering experience, presented letters from Tank Manufacturers indicating that a larger site was needed, (four acres) versus the ½ acre site selected. Maps were shown with the area indicated, showed that Nielson's home was about 150 yards away from the tank site, with screening of trees to be planted.

The tank, originally planned for concrete construction, will be of steel, will cost $219,000, and is vital to Lemon Grove.

Frank Armstrong told of four property owners who want the tank put where planned.

Mrs. Wm. P. Rogers, handsome blonde, spoke at length from the rear of the audience, later came to the mike and spoke from hastily made notes, opposing the tank. Mrs. Rogers was reluctant to give her name to this reporter and had neglected to identify herself previously. Said there might be a law suit.

Finally, on motion of Supervisor Robbins, the Board voted unanimously to grant the special use permit, as recommended by the Planning Commission.

The hearing extended 'til 12:30, at 11:55 Mr. Nielson was still talking, was granted three minutes "for one more point," and it was 12:30 before the vote was taken. DeGraff Austin, when asked if he objected to finishing the matter before noon adjournment, said he had a luncheon date for 12, and kept an eye on the clock, winked at this reported when the big hand on the clock started to point downward.

Byron Miller, Managing Engineer for Helix Irrigation District, and his supporting friends, took in all the arguments, but let his attorney do the talking.

Time from 10 to 11 o'clock was taken up with pending matters, with 72 listed on the agenda.

Welfare matters:

Board to determine liability of responsible relatives of 63 recipients of Old Age Security.

List of cases for which the Department of Public Welfare recommends that cash be extended for the month of July, 1956 — 744 cases, $42,645.13.

Department of Public Welfare requests ratification of its action in expending funds to return clients to their places of legal residence as follows:

Woman and two children to Hatboro, Pa. (Pullman accomodations recommended by physician) $190.85

Man, wife and children to Stanford, Ky., (Pullman accomodations recommended by physician) $224.08.

Man, wife and child to Easley, South Carolina, (by auto) $102.00.

Director of Public Welfare transmits and requests approval and execution of an Application by the County for renewal of License to Conduct a County Adoption Agency. (Approved by County Counsel.)

Request of Geo. T. Fitzgerald, addressed to the Board of Equalization for a reappraisal of his property in Lemon Grove and protesting the assessment of personal property therein.

Letter for the State Board of Equalization transmitting a report on Property Tax Assessment in San Diego County, and requesting a meeting with the Board to discuss said report. (Mr. Bonnelli is no longer a member of the Equalization Board.)

Two letters from applicants for position of County Assessor, one from Edwin F. Burns, the other from John F. Warriner. Letters ordered filed.

Letter from the Casa de Oro Civic Association requesting advice on obtaining a change in zoning of property upon which they desire to construct a community building and a swimming pool.

Re Acquisition of Rights of Way:

Road Survey 802, Grove St., Lemon Grove.

Grant Deed executed by W. L. and Annie Satterwhite.

Grant Deed executed by Erland H. and Kay H. Anderson.

Payment of $600 to Satterwhite. Payment of $1500 to Anderson.

Letter from the Planning Commission stating that the Surveyor and Road Commissioner has requested a review of the Planning Commission's recommendation concerning the acceptance of Violet St., from Hoffman to Pearson Sts., L.G., and that a search of Planning Commission minutes discloses that the Commission, on April 14, 1950, approved the adove described limits; AND

Petition of Patricia Ann Fordem, et al, protesting a petition, reportedly in the Road Department, for the improvement of Violet St., between Hoffman and Pearson Streets in Vista La Mesa.

Jobs for Juniors Well Patronized

Mrs E. L. Kepner, 7415 Mt. Vernon, who volunteered to manage the "Jobs for Juniors" in Lemon Grove, reports a satisfactory number of customers for the young people needing work to earn money for clothes and other necessaries.

One hundred thirteen boys and girls, some very anxious for jobs at housecleaning, yard work and any tasks not too heavy are registered with Mrs. K.

She has placed more than 37 workers, and will make every endeavour to satisfy the customer and send a suitable young person to the job.

Just telephone Mrs. Kepner at HO 9-4330 and tell her what work you want done.

A suggestion — An artistically gifted student in the area who would make some placards to be placed around town would help stimulate interest in the project.

Volunteers may call Max Goodwin at HO 9-0101.

Men's Club Hears First-Hand Talk On Youth Crime And Narcotics

Lemon Grove Men's Club luncheon was treated to a talk on Narcotics and Crime at their meeting Friday.

Ernest Sable, six years in Sheriff's Department, and Bob Ryan, on Narcotics detail, were introduced after the hunger of those present had been fully sorensified. Sable has the detail for apprehending juveniles who disobey the law. He had just caught the perpetrator of three thefts of autos in one evening. Got the young man the next morning at the Youth Center where he was in conversation with anothed youth. The culprit acknowledged his guilt. Deputy Sable explained that in his investigations of juveniles he has developed an acquaintance with the youths of the area, has their confidence to an extent.

Deputy Bob Ryan, who specializes in Narcotics, said, in response to questions, that statistics of the past two and a half years, of addiction of juveniles under 18 is very minor. Only four heroin users in the past 2½ years were picked up. He doesn't feel that Narcotics are a problem among juveniles.

Sable has given up his own time at least two nights a week lately, to patrol the area, assisting other officers. However, the Patrol Division is to be increased by three cars. Sable is a graduate of State College.

Dr. Crow asked if Narcotics are being associated with crimes. Bob Ryan said the blame for that rumor could be laid to reporters. Dangerous drugs are not Narcotics.

Prescriptions are necessary for narcotic users to escape arrest.

Addicts are not arrested if they have a prescription or a box of drugs with prescription number, issued by a physician.

Geographical situation, being close to the Mexican border, makes control difficult. Also Mexican laws are different from ours. Most anyone can obtain drugs in Tijuana, where "pushers" are numerous.

Ray Purtee, vice-president of the organization, moved up to the presidency at this meeting. Program for Friday has not been announced but the meeting will be held at noon as usual. It was reported Wednesday that Purfee was suffering a heart attack and would not be able to preside, however.

MASON ELECTED SCHOOL BOARD CHAIRMAN

Channing P. Mason, veteran member of the Lemon Grove school board has been elected chairman of the group.

He succeeds Bert A. Betts, CPA. Other members in addition to Mason and Betts are Frank Armstrong, Bert Cosby and Robert Brown.

Armstrong and Mason were re-elected to the board earlier this year.

BAPTIST CHURCH SETS 'FUN' NIGHT

Each Thursday night the First Baptist Church of Lemon Grove si sponsoring a "Fun" night for the Junior department of the Sunday School. Volley ball, table tennis and all types of games and activities will be featured for these boys and girls from nine years of age through twelve. Pastor Rochelle and the teachers in the Junior Sunday School will be on hand to serve the refreshments. Monday, July 16, several of the boys of the Royal Ambassador Chapter of the Church will attend an Associational-Wide Sumer Camp located in the mountains, approximately fifty miles from Lemon Grove.

The best way to relieve the monotony of a job is to think of ways of improving it.

VETERAN BARBER RETIRES AFTER 40 YEARS

Marion Cowart, who has been "clipping" patrons for 40 years, left his chair in Grove Barber Shop two weeks ago, because of ill health. Marion Cowart was advised by his doctor to take it easy and save his heart. Besides he was getting too heavy.

Several changes in employee personnel have taken place in this shop in the past year. Bill Dean, first owner, who recently returned from a fishing trip to Bishop, (he got a couple of 21 in. trout) sold out to Walter T. Faris, who lives in National City. Walter ran a shop in N.C. for 20 years, attended to the tonsorial needs of the politicians in that "political headquarters of the county," finally picked Lemon Grove as the best bet for a barber.

Jay Little, who worked for Bill Dean, has bought a shop in Monterey Heights and is doing well.

D. F. Waters is the newest operator in the Grove Shop. He served and worked for the Telephone Co. for several years before becoming a barber.

Walter Faris remarked, when a lady in very short shorts passed the door, "Women may not be any better looki' in summer, but they are more interesting."

NEW CAR WRECKED

TORONTO, Canada—Ron Billiard traveled from Sudbury, 390 miles to Toronto, to buy a new car he had seen advertised at low prices. He drove his new car 100 feet from the dealer's showroom and collided headon with another car. Not only will repairs to his car cost him $1,000 but Billiard, a nickel worker, was charged with careless driving.

STATE WANTS NEWS PEOPLE FOR MARKET NEWS

Marketing specialists are needed by he Bureau of Market News for the collection and analysis of market information, preparing news reports, and making marketing studies, the State Personnel Board reported.

Civil service examinations for Assistant Marketing Specialist (Hay and Grain) and Assistant Marketing Specialist (Livestock and Meat) are scheduled for July 21.

The salary range for both positions will be raised to $485-$556 a month. Two years of experience in the marketing of hay and grain or livestock and meat is required.

DRINKING DRIVING ACCIDENTS UP 13% IN UNINCORPORATED AREAS

SACRAMENTO (Spcl) — "Drinking drivers are a growing menace on our highways."

This statement was made today by California Highway Patrol Commissioner B. R. Caldwell as he reveiwed the accident and arrest reports for the unincorporated areas covering the first five months of 1956.

"With an increase of 13.2 per cent in accidents involving drivers who had been drinking as compared to a 10.7 per cent increase in all accidents, drinking drivers are piling up a shameful record of death and injury," Caldwell continued. "Investigation indicates much of the driving while under influence of alcohol is the result of lack of realization of the hazards involved with such action.s

Many times even a couple of drinks will slow the reaction time to the danger point and set the scene for a potential accident," the Commissioner said. "Then when a tight situation occurs requiring quick, positive thinking, and a fast reaction to avoid an accident, the drinking driver is in trouble."

"Don't Die, Drive Dry" and "If you drink, don't drive" are both good slogans well worthy of serious consideration by all drivers.

All Teenagers Eligible for Salk Vaccine Says Dr. Askew

All teenagers are now eligible for Salk vaccine, Dr. J. B. Askew, director of the San Diego Department of Public Health, said yesterday the age limit for priority on Salk vaccine had been raised by the state department of public health to include 19-year-olds. The top eligible age group had previously been 15-year-olds. Pregnant women are also eligible for the vaccine, Dr. Askew said.

He added that state priorities have also been changed to allow the third inoculation of Salk vaccine to persons up to the 19-year bracket providing seven months have elapsed since the second inoculation. Former priority limited each person to only two inoculations.

SOCIAL SERVICE POSITIONS OFFERED BY STATE

Competetive civil service examinations for Child Welfare Specialist I and Public Assistance Specialist I are being scheduled at the new salary range of $436-$530 a month, the State Personnel Board reported.

Specialists in Child Welfare deal with the problems involved in the adoption of children, in licensing and operation of day care nurseries, and are active in child welfare programs. The position requires two years of full-time social case work experience or two years of recent graduate study in an accredited school of social work.

Social workers with a background in technical social welfare work or administrative experience in the field of public assistance may qualify as Public Assistance Specialists. Two years of recent graduate study in public welfare admininstration is acceptable in lieu of the required experience.

DIMMING OF HEADIGHTS MANDATORY BY LAW

SACRAMENTO (Spcl.) — California law requires motorists to dim headlights when approaching another car either from the rear or head-on, says the California Highway Patrol.

"Improperly adjusted headlights or failure to depress to the lower beam when approaching another car at night is unlawful and discourteous," declared Patrol Commissioner B. R. Caldwell.

"Drivers are urged to have their car lights properly adjusted and to use them lawfully at all times," Caldwell said. "If you meet someone who does not lower the beam, do not use your high beam in retaliation. This only adds to the danger by causing both to be blinded at the same time.

"The better and safer method is to look to the right side of the pavement ahead and away from the bright lights," he continued. "Keep your car as near the right hand edge of the pavement as possible and slow down."

TON OF BEEF
(Continued)

Commerce office and most Lemon Grove business firms.

Ted Mayors, general chairman of the Fiesta-Barbecue said plans are being made to accommodate a record number of patrons who come from neighboring communities to join in the week end festivities. Men of the parish will start preparing over two thousand pounds of choice beef in the pit barbecue on Friday afternoon so it will have that 'just right' flavor by serving time the following day. An estimated 2500 full course barbecued beef dinners will be served in the dining room and at tables outdoors under the trees during the two day event. Dinner will be served from noon until 6:00 p.m. Besides the dinners, barbecued sandwiches, cake and coffee, ice-cream and soft drinks will be dispensed. In addition to food and drink, an endless variety of items ranging from parakeets to out-of-state surprise packages will be available at the long rows of booths on the Fiesta grounds. George Hertel is in charge of the pit barbecue and Mrs. Frank Roslak and Ted Stadther are in charge of the dining room arrangements.

The Fiesta will close Sunday night with a square dance on the outdoor court adjoining the grounds. Winners of the unique "stop-the-clock" contest will be announced Sunday night.

There will be ample parking for the rodeo-fiesta patrons.

Three Automobiles Stolen In Spring Valley -- Same Night

Three cars stolen in Spring Valley in one night, seems to be some sort of a record for the community. But that's what happened Wednesday night, June 27. A detective from the El Cajon office of the Sheriff's Department investigated.

John Sims of 3535 Helix Street reported a 1939 Ford, 2 door had been stolen. As this is written the car has not been recovered.

Mrs. Elizabeth Harris of 9255 Olive Drive reported her mother in-law's sedan had been stolen. The car was found at the corner of Bancroft and Olive Drives. Mrs. Harris said nothing was taken from the car.

Mrs. Marion Grindle of 3349 Central Avenue reported her 1947 Oldsmobile stolen. It was also found at the Olive and Bancroft location. She said the gear shift had been broken.

The investigator said the MO seemed to be the same in all three cases. None of the cars were locked. He warns people of the area to lock their cars, as many are unhoused. Now that tire prices are going up there may be attempts to steal them. residents should take all precautions.

LOCAL FOLK TAKE FAIR PRIZES

(Continued)

Club, got $31 for his animal, bid by Safeway Stores. Pretty hard to beat a girl, hey Mike?

Lynne Tristram, 6811 San Miguel, L.G. 4-H, entered a 103 lb. lamb that was bid in by Lemon Grove Kiwanis for $31.

Donna Rundell, 8533 Gateside, La Mesa, a L.G. 4-H member, had a 96 lb. lambkin that was bought by Woolworth for $36, less that 2½% shrinkage. Donna did pretty well for herself, I think. She had some extra prize money, besides the ribbons.

Robert Wendt, 9265 Hillside, Spring Valley, a L.G. 4-H member, entered a lamb that weighed 94 lbs and brought $31 from L.G. Kiwanis.

Loraine Lukas, 4125 Donna St., which is almost in Lemon Grove, entered a lamb weighing 82 lbs. and brought $32.50.

Sheila Cosby, 8277 Golden, L.G. 4-H, entered a 72 lb. lamb which wore a blue ribbon in choice light weight class. $41 bid in by Bob Sullivan Hardwood Lumber.

Michael Knapp, 6997 San Miguel, L.G. 4-H, was the only entrant in his club of a beef animal. His steer weighed 915 lbs. brought 30c, which we figured netted Mike $267.60. There is considerable expense attached to raising a steer, besides a lot of work. Mike cleaned his project's corral twice a day, curried and brushed him, fed him twice daily, kept books of expenses, which reports are turned in at year's end.

Nine Lambs

Total of sheep entered at Fair was 204. Lemon Grove Club entered 9 lambs and were awarded ribbons as follows: Registered ewes, Sheila Cosby, Blue ribbon; Mike Cosby, 4th, Pink ribbon.

Fat lambs, 70 to 95 lbs. Mike Cosby, Purple, Robert Wendt, Blue; Sheila Cosby, Blue; Loraine Lukas, Blue; Donna Rundell, Blue.

Heavy Fat Lambs: Lynne Tristram, and Lana and Mike Jaquith, each got blue ribbons.

In Home Economics, Marilyn Humphry received two Blues, for apron and head scarf.

Nancy Sima, Red for cookies and three Whites for Apron, Skirt and Blouse.

Loraine Lucas, Red for strawberry jam.

Showmanship brought Sheila Cosby a Red, and her brother Mike a Green.

Mrs. R. A. Knapp, leader of Lemon Grove Club, gave days of her time at the Fair helping the young people with their entries. She drove more than 900 miles going to and from the Fair Grounds, and when we finally found her at LEMON GROVE barn she was sweeping the walk.

Mrs. Bert Cosby, Assistant Leader, was chaperone, stayed at the Fair through ten days, saw that they ate properly and were otherwise on their good behavior.

Hospital Auxiliary Names New Sewing Chairladies

The El Cajon and Lemon Grove units of Grossmont Hospital Women's Auxiliary now have new sewing chairmen. Mrs. R. T. Strong, El Cajon's area chairman, has appointed Mrs. L. W. McCarthy, of El Cajon's 437 W. Washington Street; and, in Lemon Grove, that area's chairman, Mrs. W. K. Phillips, has appointed Mrs. Homer Hamilton, at 2519 of Lemon Grove's Washington Street. These new chairmen automatically become members of the auxiliary's general sewing committee, headed by Mrs. George Conrey, and their function is that of channeling the work of the committee throughout one's area.

As its name implies, the sewing committee does such sewing as is needed by the hospital — at times, recruiting extra help from other local women's organizations, such as church groups; and, is also responsible for the "pinkie" project, which will provide clever hand puppets dressed in the "cheery cherry" of the auxiliary's own "pink ladies," to young children who are patients in Grossmont Hospital. Hemming towels, and making surgical wraps and other items that cannot be bought ready-made, is neither very glamorous nor soul-stirring; but, a hospital could not be run without them — so, these women who work for the hospital in their homes play as important a part as do those who wear the uniform of the in-hospital volunteer.

Area Man Named Optimist Prexy

Harry Wilson, a Lemon Grove resident and local businessman has been installed as president of the College Center Optimist Club.

During the past week he presided over his first meeting which was held at an El Cajon Boulevard cafe.

Wilson, operator of the Lemon Grove Glass and Supply Co. at 3445 Imperial Avenue has been an Optimist Club member for three years.

RANCH CLUB POOL NEARS COMPLETION

Patty Summers, 13 8627 Troy Street and Brian Yale, 8, 3141 Helix Street pose with Stan Rose, aquatic director of Carmen Ranch Swimming Pool. Rose is also a teacher with S.V.-L.M. Elementary School District.

The first big swimming pool of the Ranch Club on Sweetwater Avenue has been dug and concreted, and Mrs. John Carovano, manager, says work will start soon on the second pool (children's). August 1 should be the opening date, barring delays.

Stan Rose formerly of the La Mesa swimming pool has been engaged as Director and Instructor of swimming and diving. He said he plans to save several competitive swimming and diving teams comprised of members of the Club.

Membership in the Ranch Club is open to all families regardless of the number. Mrs. Carovano said there are two families already signed up that have nine in the family and another with eight,

For further information regarding the Club call Mrs. Carovano at HO 9-4622 or Stan Rose at JU 2-1077.

Some Cities In State 'Rent' Services Says Assemblyman

"To reduce property taxes some California cities are now 'renting' services instead of setting up departments of their own," reports Assemblyman Sheridan Hegland, who attended a meeting of the Assembly County and Municipal Government Committee recently in Los Angeles.

"We heard testimony from representatives of Lake wood, a newly incorporated city of 60,000 population. This new-style city 'hires' its police protection, three prowl cars round the clock from Los Angeles County. Instead of having its own fire department, it 'rents' this service from the County Fire Department. Street repair service is 'hired' from the County Road Department," Hegland said.

"This is a case of government borrowing an idea from business. Many enterprises needing a fleet of autos for their representatives have found it cheaper to rent the vehicles than to buy them," he explained.

"This 'functional consolidation' of government leaves local control in local hands, yet achieves savings by eliminating duplications. The idea is not a cure-all, but any idea which can save property taxpayers certainly deserves looking into."

Hegland said that some experts believe millions of dollars can be saved local property taxpayers through this kind of "functional consolidation."

Imperial Ave. To Become Broadway This Summer

They'll have a new street name and numbers on Imperial Avenue between Sweetwater and Campo come August or September.

The San Diego County Building Inspection Department said Imperial would become Broadway along the stretch listed above.

The change stemmed from a recommendation made at the Lemon Grove Men's Club. The club sponsored the change and a member, Charles Serr, a prominent local real estate man circulated the petition.

Judge Waldrepp, chief of the Building Department said that many numbers would be changed. Present numbers will be checked out during the next few weeks and notification of official numbers will be made by mail. The post office will be notified at the same time.

Temporary "Broadway" signs will be installed in July. Permanent signs will be installed after the first of the year.

"The work load for new numbers and changes of old ones throughout the county has been terrific," Waldrepp observed.

Check The 'Ol Jalopy Your Life's At Stake

by Bob Turnbull
Teen-Age Editor

Is your family ways and means of transportation in good shape? Generally speaking that would squeeze it down to the family clunker, tin-can, rod, beast, pile-of-junk, rocket or more commonly and sensibly titled — car. Having one's automobile in good working order is one of the most important features to owning a car, especially since cars, nowadays, get such hot workouts. In fact, better workouts than our tracksters in the Olympic trials. Spending time having your car checked by a competent mechanic at regular intervals, especially before a trip might save you a life and most certainly save you some hard earned bread in the long run. Keep this list handy of the more important items to check regularly:

Brakes — Have them tested, adjusted and relined regularly.

Steering — Keep this mechanism tight so's to avoid wheel wobble.

Lights — Headlights and tail lights and all units and bulbs should be in proper working order, at all times.

Tires — Well-matted tires are your best bet, complete with good treads, even on the spare. Keep pressure up.

Wheels — Regularly check wheel alignment to prevent excessive wear.

Lubrication — Follow your manufacturer's instruction diagram for oiling and greasing. Keep your oil level up.

Cooling System — Keep radiator full and flush twice a year.

Shock Absorbers — Keep fluid in shocks and adjusted.

Exhaust System — Keep cylinder head bolts tight and replace all leaky gaskets so's to prevent carbon monoxide gas.

When in the course of a check-up, something erroneous appears —fix it!

PAPER SETS OFF ALARM

PASADENA—A newspaper boy tossed a newspaper high into the air. Falling back, it grazed the lever of a fire-alarm box, bringing six fire trucks to the intersection. The carrier, Ronald Vestal, 14, was considerably surprised.

Square Dance News

Lariats

The Lariats had a square dance picnic at Lakeside Park last week. Everybody had a good time with a large number of callers from various clubs. The Lariats wish to express their thanks to Don and Juan Frank, Hoppy Hopkins, Ed Berryman, Stan and Janie Byrant, and Tommy Ashton for their wonderful calling.

Most of the real spry people played volley ball, at least one-half of the time. Everything wound up at 8:00 o'clock when many tired but happy people returned home.

Mark your calendar for July 25, because that's the day the Intermediates are going to graduate. They are a real big class and we expect an even bigger time.

Now that the Intermediates are graduating we are starting a new class right away. This class will start August 1 and will be at the La Mesa Junior High School. Hope to see everyone that is interested in square dancing there.

Starting Friday, July 6, the square dancing will start at 7:30 and last until 10:30. Our party night which is July 13 will be a casual night of pedal pushers and Levis.

Volunteer Work Parties Scheduled for This Week

Two work parties have been scheduled by the joint chambers of commerce for the Lemon Grove Rodeo.

Individuals are ungently requested to take part in either the Thursday shift from 6 to dark or the Saturday one from 9 a.m. to mid-afternoon. The rodeo and fiesta will be held the following week end — July 21-22.

Ted Fetters, operator of Pal's said he would keep wet the whistles of the Thursday crew.

It is not necessary to make an appointment said Earl Smart, chairman of the project. Just come on down to the St. John of the Cross Church Rodeo Grounds.

The young man who has not wept is a savage, and the old man who will not laugh is a fool. David Perry were ushers.
